Key 3

This is a medium sweet style of Rielsing with racing acidity and a crisp fruit freshness. Very refreshing and fruity, featuring flavours of grapefruit and lime and with a fine mineral edge and trademark hints of flint.

Producer

The Riesling grapes used to make Dr L come exclusively from traditional vineyards with steep slopes and slate soils. The best vineyard sites are close to the River Mosel: the water keeps the air warmer at night and during the day often reflects sunlight onto the vines.
