Tasting Note

Key 2

A medium bodied white wine with delicate lemon and stone fruit aromas on the nose. Flavours of peach and apricot, as well as notes of tropical fruits and vanilla come through on the palate. A medium bodied and well balanced wine, with great intensity and a smooth, creamy mouth-feel on the finish.

Producer

The Las Condes range is made from grapes sourced from the Central Valley, an area with a long tradition of winemaking. The valley is particularly characterised for having clearly defined seasons with cool, rainy winters and warm summers with high daytime temperatures moderated by cool nights. The grapes are able to ripen fully thanks to the excellent exposure to the sun, dry summers and a lack of rain at the time of harvest.
