Tasting Note

Key 1

Made from at least two thirds black grapes with a third of Chardonnay for balance, the Brut offers notes of brioche and light citrus fruit. Veuve Clicquot Yellow Label manages to reconcile two opposing factors - strength and silkiness - and to hold them in perfect balance with aromatic intensity and a lot of freshness.

Producer

Veuve Clicquot is located in the heart of Champagne, France; the only place the world that can produce champagne. The Northern climate allows a cool temperature, balanced with limited sun exposure and regular, moderate rainfall brings a unique freshness to the grapes. The soil is chalky and geologically exceptional.
